

**Make the most of your stay...**

**Did you know that the following facilities are offered to you FREE OF CHARGE?:**

~ There is Wifi Connection in almost all areas of the Hotel and, in particular, IN YOUR ROOMS (please ask for a free room code or connection information from our Reception Team).

~ The Blue Beach Towels provided in your room can be changed, if required, once a day only by presenting the used Beach Towel at the Pool Attendants Kioski during stated times. The responsibility for keeping the towels belongs to the guests. Lost towels may be charged.

~ If you would like more supplies of Tea/Coffee/Milk/Sugar sachets please ask at the Reception Desk. Supplies are replaced only on request+ (no charge).

~ In the Mini Bar of your room, you can place your own supplies. Importantly we ask our guests not to "overload" it and risk malfunction by treating it like a household refrigerator. You can order drinks to be placed in the Mini Bar which are with charge. Please fill the Mini-Bar list (found on the top of the Mini Bar) with items of your choice and give it to the Reception. Delivery to your room's Mini Bar will be arranged as soon as possible.

~ There is an electronic secure safe box, provided for your convenience, inside the wardrobe. Instructions to set your own personal code are shown on it. Please contact our Reception Desk for any assistance required.

~ Your complete comfort is important to us. You can ask for a softer or harder mattress OR different type of pillow (material, softer or harder) simply by contacting the Reception Desk or our Housekeepers.

~ You can request an iron, ironing board or electrical adaptor for use in your room. They are free of charge. Please contact the Reception Desk. A small deposit is requested for the use of these items, returnable when the items are returned in good condition.

~ You can refill the Thermos in your room from the drinking water machine stations on each floor (next to the lifts) at your own convenience. In addition there are cold drinking water machines stations at the Coral Main Bar and Sirena Pool Bar for the free use of all our guests.

~ You can freely use the facilities of our Indoor Pool, Jacuzzi and Fitness Centre at the Ocean Spa Centre.

~ You can book Tennis Court and obtain equipment from our Reception (only charge applicable is if lighting is required whilst playing).

~ We have a courtesy room centre with rooms available for use on request+ and subject to availability+. If your departure from the Hotel is after the official check out time of 12.00 noon and you want a room to rest and relax in until you leave, please contact our Reception Desk to make your request.

~ There are plenty of parking areas in the Hotel grounds for the free use of our guests who require it. They are barrier controlled. In the very busy periods of the season, when we deem it necessary to close the barriers, our Reception issues our guests who require it a special entry card. The entry card is free of charge, only a small deposit is requested for the card, which is returnable when the guest returns the card. The parking areas are clearly marked and we have also disabled parking places. Guests are politely reminded that parking in front of the Hotel (other than for short timed off-loading of guests and luggage) or in front of emergency exits is strictly not permitted.
